Subject: Summary of Season Cost Estimates

ATTACHMENT: 2009 Cost estimates (rev 1).xls
Hi Everyone,

The purpose of this e-mail is to provide you with a quick summary of the cost estimates, reports, and groundwater modeling activities that we have initiated or will soon.

We will be meeting tomorrow morning at the Site to discuss priorities for the various activities and I thought that this spreadsheet would be a good starting point for discussions.

Please e-mail me if you have any questions.

Thanks,

Steve
